8.2 Customer Indemnity. Customer shall defend, indemnify, and hold harmless Provider, its Affiliates, and their respective officers, directors, employees, and agents, from and against any and all claims, damages, liabilities, costs, and expenses (including reasonable attorneys’ fees) arising out of (a) Customer’s use of the Services in violation of Applicable Law or this Agreement; (b) Customer Data, including any claim that Customer Data infringes any third party’s rights; or (c) any breach by Customer of Section 6 (Confidentiality and Data Protection).

The indemnified party shall (a) promptly notify the indemnifying party of any claim subject to indemnification (provided that failure to give prompt notice shall not relieve the indemnifying party of its obligations except to the extent materially prejudiced thereby); (b) permit the indemnifying party to control the defense and settlement of such claim; and (c) cooperate with the indemnifying party, at the indemnifying party’s expense, in defending or settling such claim.

8.4 Exclusions. Provider shall have no obligation under Section 8.1 with respect to claims arising from (a) modifications to the Services by anyone other than Provider; (b) use of the Services in combination with hardware, software, or data not provided or authorized by Provider, where the claim would not have arisen but for such combination; or (c) use of the Services not in accordance with this Agreement or the Documentation.

9.4 Carve-Out Conduct. For the avoidance of doubt, neither party excludes or limits liability for death or personal injury caused by its negligence; provided, however, that, except as otherwise provided in Section 8, nothing herein shall require either party to indemnify the other for indirect damages, and, notwithstanding the foregoing, this Section 9.4 shall control in the event of any conflict with Section 9.2.
